Education

[^ Top](#)

- IRAN University of Medical Sciences, Medicine, IRAN, 1986-1993.
- Thesis: Evaluation of sexual inability rate in 100 post-prostatectomy patients During 1999 to 2000 in Hashemi nejad hospital, Tehran, IRAN.
- MPH Tehran University of Medical Sciences, Medicine, IRAN 2009-2011

Research

[^ Top](#)

- MEFV-gene polymorphisms in Iranian patients with Familial Mediterranean Fever. Cooperator 2008.
- Evaluation of plasma and synovial levels of soluble triggered expressed on myeloid cell-1 (STREM-1) in children with septic arthritis, reactive arthritis and juvenile rheumatoid arthritis. Cooperator. 2008.
- Detection of integrons causing the antibiotic resistance due to ESBLs in E-coli and Klebsiella spp. isolated from stool and urine samples of patients who referred to Mofid children hospital in Tehran by PCR method. Cooperator. 2008.
- The role of DMSA scan and sonography in diagnosis of renal scar in children with pyelonephritis. Cooperator. 2008.

- Determination of Integron frequency in E.coli which cause urinary tract infections with multidrug resistance by PCR-RFLP method. cooperator. 2007.
- Detection of Epstein – Barr virus latent infection in pediatric Hodgkin, s Lymphoma by Immunohistochemistry Method. Pediatric Infectious Research Center. Cooperator. 2007
- Maham S.et al. Detection of Epstein – Barr virus latent infection in pediatric Hodgkin, s Lymphoma by In situ Hybridization Method. Pediatric Infectious Research Center. Cooperator. 2007.
- Maham S.et al. Evaluation the effect of honey on E-Coli resistance to Cotrimoxazole and Amoxicillin exetracted from patients with UTI. Cooperator. 2007.
- Maham S.et al. Evaluation the effect of Cinnamon on Helicobacter pylori in Mofid children hospital. Cooperator. 2007.
- Comparison prevalence of catheter related infections between conventional and needle-less part system PLANECTA in Mofid children hospital ICU. Executive. 2007.
- Maham S. et al. Frequency of consanguineous marriage and its effects on offspring in Tabriz city, 2001 to 2004
- Maham S. et al. The survey of client satisfaction with health care services in Shabestar hospital and health centers, 1990.
- Maham S. et al. Cytogenic findings in 53 adult patients affected with acute myeloblastic leukemia, 2003.
- Maham S. et al.Evaluation of sexual inability rate in 100 post-prostatectomy patients During 1999 to 2000 in Hashemi nejad hospital, Tehran .2000.

Research Interests :

- Gene therapy (viral vector production)
- Cardiovascular disorders (coronary artery disease)
- Pre-natal diagnosis (PND) and Pre-gestational diagnosis (PGD) of diseases and disorders

Achievements :

- Attendance in congress of Infectious diseases, 4 days, Shahid Beheshti University of medical sciences, 1994.
- Attendance in congress of Sport medicine, 5 days, FIFA, 1994.
- CDD, 1 day, Tabriz health center, 1995.
- Workshop on maternal and infantile mortality decrease, 6 days, Shahid Beheshti University of medical sciences, 1997.
- Evaluation workshop, 4 days, Tabriz COME, 1997.
- Time management, 1 day, Tabriz governmental management center, 1996.
- Workshop on maternal milk promotion, 3 days, Tabriz University of medical sciences, 1994.
- TQM in health services, 3 days, Tabriz University of medical sciences, 1999.
- Town health management, 4 days, Tabriz COME, 1999.
- Health plan management, 6 days, Shahrekord University of medical sciences, 2000.
- Maham S. et al. The frequency of consanguineous marriage and its effects on offspring in Tabriz 2001-2004, international congress on Cancer Genetics.
- Maham S. et al. Planning based on consumerism in health system, Lecture presentation, National congress of TQM, Razi center, Iran university of medical sciences, 2001.
- Total Quality management and its implementation in Shabestar town, Poster presentation in national congress of TQM, Razi center, Iran University of medical sciences, 2001.

- Total Quality management (TQM), 3 days, Razi Congress center, 2001.
- General practitioners â€™™ national congress, 5 days, Iran Medical Council (IMC), 2001.
- Integrated program for medical doctors, 4 days, Tabriz University of medical sciences, 2001.
- Medical ignorance, 2 days, Tabriz university of medical sciences, 2000.
- Strategic planning, 4 days, Mashhad University of medical sciences, 2002.
- Quality management, 2 days, Mashhad University of medical sciences, 2002.
- Statistical Processes Control (SPC), 3 days, Yazd University of medical sciences, 2002.
- Member of scientific committee of international congress on Cancer Genetics, Tehran University of medical sciences, Dec 2003.
- FIMS team physician development course, Tehran, Iran, Sep 2003.
- Sport Medicine, 3 days, Iran University of medical sciences, 2003.
- First International congress on Cancer Genetics, 4 days, Tehran University of medical sciences, 2004.
- Sport Medicine, 2 days, National Olympics Academy, 2004.
- attendance in organized course of occupation medicine workshop , February 2006
- attendance in organized course of psychiatric medicine , February 2006
- attendance in organized course of infertility and undelivery , February 2006
- attendance in organized course of blood pressure , February 2006
- attendance in organized course of pediatrics , February 2006
- attendance in applied and scientific workshop of hospital infections control, June 2006
- attendance in medical research and EBM workshop , August 2006
- attendance in evidence- base medicine workshop , August 2006
- Participation in research management workshop, 2006.
- Participation in Pediatric emergencies congress, 2007.
- Participation in Advanced RCT workshop, 2007.
- attendance in organized course of fertility and infertility , February 2007

- Member of scientific committee of 1st congress of Nosocomial infections, OCT 2007.
- Holding the UTI seminar in Pediatric infectious research center, 2007.
- Holding the febrile convulsion seminar in Pediatric infectious research center, 2008.
- Participation in Pediatric emergencies congress, 2008.
- Participation in learning of software of scientific journal management, 2008.
- 10th Asia Bioethics Conference & 4th UNESCO Asia – Pacific School for Ethics Roundtable, 4 days, Tehran University of Medical Sciences, 2009
- Attendance in 55th workshop of practical & theoretical training course for responsible physician only & unique therapist, on the ground of "Treatment of addiction to opium drugs by agonists" in INCAS (Iranian National Center for Addiction Studies), Tehran University of Medical Sciences, Medicine, IRAN, 2010 July.
- Attendance in modified electronic self-teaching workshop on the ground of pediatric acute respiratory infections, Tabriz University of Medical Sciences, Medicine, March 2011.
- Attendance in modified electronic self-teaching workshop on the ground of Anemia, Tabriz University of Medical Sciences, Medicine March 2011.
- Attendance in continual electronic self-teaching workshop on the ground of intubation, Shiraz University of Medical Sciences, Medicine, September 2011.
- Attendance in continual electronic self-teaching workshop on the ground of drug abuse, Shiraz University of Medical Sciences, Medicine, September 2011.
